

Workshop on Problem Solving and Ideation on March 4, 2024

The Bachelor of Computer Application department at Post Graduate Government College, Sector-46, Chandigarh, organized an enlightening workshop on Problem Solving and Ideation on March 4, 2024, for BCA students. Dr. Abha Sudarshan, the esteemed principal of the college, extended a warm welcome to the keynote speaker, Ms. Aparna Grover, Director of Infomaths Studies Private Limited, Chandigarh. MS. Aparna captivated the audience with her insightful discourse on fostering creative thinking and urged the participants to harness innovative solutions for contemporary challenges. The objective of the workshop was to introduce brainstorming techniques conducive to breaking down mental barriers and nurturing out-of-the-box thinking among students. The event was expertly conducted under the guidance of Dr. Uma Narang, Head of the Department of BCA, whose mentorship ensured its seamless execution. Dr. Rajesh, the dean of the college and Dr. Baljit Singh, the vice-principal of the college also graced the occasion with their presence. More than 60 students actively engaged in the interactive session, displaying their enthusiasm for cultivating creative prowess and problem-solving skills.
